

June 12 - July 28
Rising Pre-K-6th Grade

Week 1: June 12-June 16

Junior Engineering

To kick off our summer at Camp Redwood, our campers will become engineers! They will build and create using legos, recycled materials, building tools, and their own imagination. Campers will put their creations to the test through a variety of STEM challenges and will have the chance to show off their own inventions!

Robotics Specialty Camp: Rising 4th-6th Grade

Have you ever wondered what it's like to build and control a robot? Campers will find out at our Robotics specialty camp! In our robotics specialty camp we will program and play with a variety of robots! We'll learn some robotics basics like getting input from the environment, using logic to make decisions and what to do when the robot gets a mind of its own... We'll explore these ideas by designing and solving mazes and other puzzles while talking about what real engineers are currently getting their robots to do. This camp is a fun and engaging way for campers to develop problem-solving and STEM skills while discovering the exciting world of robotics.

Week 2: June 20- June 23 (no camp on June 19)

Critter Connection

Come and get wild as we explore the animal kingdom! This week, we will go on a virtual safari, discover and build animal habitats, dig for fossils, and learn all about our favorite animals. Your child is sure to have a roaring good time!

Junior Nature Specialty Camp: Rising Pre-K and Kindergarten

Join us as we explore the great outdoors! In this nature specialty camp, campers will focus on immersing themselves in nature. From gardening to bird watching, to learning about the environment, we will use nature as our inspiration!

Junior Chef Specialty Camp: Rising 3rd-6th Grade

Try something new! This week will be all about trying new things and exploring the wonders of cooking. During the week, we will plan, research, make shopping lists, and learn to cook recipes chosen by the campers. *Due to the structure of this camp, we will be unable to accommodate campers with food allergies.

Week 3: June 26-June 30

Makin' A Splash

Get ready to dive into this week of camp! Campers will explore water science, learn about water conservation and quality, and play outdoor water games. Prepare to get messy as we celebrate the International Day of Mud at the end of the week!

Nature Specialty Camp: Rising 1st-3rd Grade

Join us as we explore the great outdoors! In this nature specialty camp, campers will focus on immersing themselves in nature. From gardening to bird watching to learning about environmental sustainability and actions we can all take, we will use nature as our inspiration!

Entrepreneurs in Action Specialty Camp: Rising 4th-6th Grade

Get ready for our campers to become entrepreneurs! Campers will work in teams to create a business and decide what products to create and sell. Using a budget, Redwood junior entrepreneurs will design a business plan and work through the process of production and management. They will have the chance to market their products to other campers and can purchase each other's products at the end of the week using their Redwood dollars.

Week 4: July 3-July 7 (no camp July 4)

Superheros Unite!

It's a bird, it's a plane.....no, it's superhero week!! This week our campers create their own superhero, design costumes, and learn about heroes in our community. On Friday, campers can come to camp dressed as their favorite superhero!

Week 5: July 10- July 14

Artistic Adventures

Create and play in our colorful hands-on, and often messy, process art camp! Campers will learn about the colors that brighten our world as we explore colors in nature and those that are created. We will culminate this week of camp with the annual Camp Redwood color run! Campers will receive an additional special color run camp T-shirt if registration is received by June 1st.

Musical Theatre Specialty Camp: Rising 3rd-6th Grade

3-2-1 ACTION! This week, campers will explore different aspects of musical theatre and performance. They will learn the basics of choreography and be introduced to the fundamentals behind using their voice as a tool, with small performances along the way. Campers will engage in music, movement and dance as they learn the fundamentals. Join us for a week filled with musical excitement!

Week 6: July 17- July 21

Crazy for Chemistry!

We will grab our lab coats and safety goggles as we investigate everything chemistry! This week our campers will become scientists. We will perform experiments, make slime, and discover the difference between physical and chemical reactions as we play with a variety of materials!

Harry Potter Specialty Camp: Rising 3rd-6th Grade

Join us for a week of wizarding fun as a portion of Camp Redwood turns into Hogwarts! Grab your wands and come prepared to delve into the magical world of Harry Potter. We will make potions, dream up fantastic beasts, drink butterbeer, and even play Quidditch!

Week 7: July 24-July 28

Amazing Race!

Join us for a trip around the globe, complete with puzzles, riddles, and adventure! This week, our campers will explore different countries and cultures all over the world, while participating in Redwood's version of the Amazing Race!

Outdoor Adventure Speciality Camp: Rising 3rd-6th Grade

Get ready for a week full of adventure! This week, campers will learn the basics and safe practices of camping, fishing, and hiking, complete with making paracord bracelets, building a fire and more. At the end of the week, campers will join in on the fun and compete in the Amazing race!

Drama Specialty Camp: Rising Kindergarten- 2nd Grade

Join us for a week full of excitement as campers will be encouraged to express themselves physically and vocally through theatrical play. They will get in touch with their inner performer through games, exercises, movement, music, and dance. Campers will have the opportunity to showcase their skills at the end of the week in a performance based on a children's book.

Nights Out at Camp Redwood!

Thursdays 6:00pm-8:00pm: Rising 2nd-6th Grade

New this year! Campers can join us for an evening of camp fun while their grownups have a night out! This add-on option will feature themed activities, outdoor games, arts & crafts, and much more!

Dates for Night's Out: June 15, June 22, June 29, July 6, July 13, July 20, July 27
