

June 10 - July 26
Rising Pre-K-4th Grade

Week 1: June 10-June 14

Magical Creatures

Embark on an enchanting adventure at our "Magical Creatures" camp, where imagination takes flight! Campers will experience a magical blend of fantasy and reality as they explore the world of creatures through engaging activities that include both mythical beings and the real-life animal kingdom.

Week 2: June 17- June 21 (no camp on June 19)

Campfire Adventures

Become a part of our Campfire Adventure Camp, where the warmth of friendship meets the flickering glow of imagination! Gather 'round the cozy "fire" for stories, games, and all the fun of camping. With s'mores, sing-alongs, and exciting adventures, get ready for a camp experience that's sure to ignite your spirit of adventure!

Week 3: June 24-June 28

Under the Sea

Dive into a world of wonder beneath the waves, where every day brings discoveries and hands-on experiences. Embark on an exploration of the marine world, where colorful coral reefs, mysterious shipwrecks, and fascinating sea creatures await. At the end of this week campers will get messy as we celebrate the International Day of Mud.

Week 4: July 1-July 3 (no camp July 4-5)

Ooey Goey Lab Explorers

Join us as Camp Redwood turns into a science lab where our young scientists will unleash their creativity and curiosity! From concocting colorful slime to engaging in exciting hands-on experiments, this camp promises a week filled with messy fun, and unforgettable learning experiences that will spark a lifelong love for science.

Week 5: July 8- July 12

Mysteries of the Universe

Embark on a journey at our Mysteries of the Universe camp, where young explorers will delve into the wonders of space through a constellation of engaging activities. Campers will uncover the secrets of the cosmos while fostering a curiosity for astronomy and the mysteries that are out of this world!

Week 6: July 15- July 19

Junior Engineering

This week our campers will become engineers! They will build and create using Legos, recycled materials, building tools, and their own imagination. Campers will put their creations to the test through a variety of STEM challenges and will have the chance to show off their own inventions!

Week 7: July 22-July 26

Spy Kids Academy

Step into the thrilling world of surveillance at our "Spy Kids" camp, where young detectives will hone their sleuthing skills through a series of captivating puzzles and challenges. From mastering secret codes to unraveling mysterious plots, our campers will become the ultimate spies through teamwork and critical thinking. Join us for an action-packed adventure that promises to unleash the inner detective in every child.
